

The call for SYNERGY 2026 (IC-SIIT)

The rapid convergence of engineering, healthcare and Management disciplines is reshaping the way we design, build, and sustain the systems that power modern society. In this context, the SYNERGY 2026: IC-SIIT serves as a dynamic platform to explore the transformative potential of interdisciplinary innovation. Bringing together researchers, academicians, industry experts, and practitioners, the conference aims to foster collaboration across the domains of Computer Science, Mechanical, Aerospace, Automotive, Electronics and communication, Electrical, and Civil engineering.

Advisory Committee Members

Dr. Yunhui Guo, University of Texas at Dallas, United States
Dr. G.L. Samuel Professor, Dept. of Mechanical Engineering (Manuf. Division), IITM, Chennai, TN (S).
Mr. Touseef Khan, Senior Staff Engineer, Qualcomm Inc., San Diego, USA
Dr. Narendra Nath S., Professor, NITK - Suratkal
Dr. Basavarajappa, Professor, UBDT, Davangere
Mr. Charles Chow, Singapore Management University, Singapore
Dr. Mallikarjun. U. S. Professor and Head, Mechanical Engineering Department, SIT – Tumkur.
Dr. Dakshitha Anandakumar, Applied Scientist, Microsoft, Redmond, Seattle, USA
Dr Vijaykumar S Jatti, Professor, Mechanical Engineering Department, Bennett University, UP
Dr. Raviraj H M, Associate Professor, Department of Civil Engineering, NITK, Suratkal
Prof Dileep A. D. Professor, Computer Science and Engineering (CSE), IIT Dharwad

Technical Program Committee

Dr. Dhanesh G. Mohan, Programme Leader, Senior Lecturer in the School of Computer Science and Engineering at the University of Sunderland, UK
Prof. D. Nagesh Kumar, Professor, Department of Civil Engineering, IISc, Bengaluru
Mr. Srihari Raghavendra Rao, Senior Data Scientist, Light Horse Therapeutics, San Diego, California, United States
Dr. Salunkhe Sachin, Professor, Mechanical Engineering Department, Gazi University, Turkiye
Ms. Shweta Shete, Senior Industrial Controls Engineer at Symbolic LLC, San Diego, California, United States
Mr. Sajal Mittal, Associate Director, Samsung Semiconductor, Bengaluru
Dr. Krishnan Manickavasagam, Professor in Department of Electrical and Electronics Engineering and Education National Institute of Technical Teacher's Training and Research
Prof. Bidyadhar Subudhi, Member Director, NIT Warangal
Dr. Nanda Kumar BS, Head- Research & IPR, Division of Research and Patents Department of Community Medicine, RUAS
Dr. Bhanu Prathap, FMC, RUAS

Patrons

Dr. .R. Jayaram, Chancellor, RUAS
Prof. Kuldeep Kumar Raina, Vice Chancellor, RUAS

Co-Patrons

Dr. G. S. Venkatesh, Provost (Health and Allied Sciences)
Prof. Ranganath R. V., Provost (Engineering & Allied Sciences)
Prof. Indira Ramarao, Provost (Social Sciences & Allied Faculties)

Mr. S. Ashok Rao, Registrar, RUAS

Conference Chair

Dr. Sarat Kumar Maharana,
Professor & Dean - FET, RUAS

Organizing Committee

Dr. Dayananda. B. S., Associate Dean Academics- RTC, RUAS
Dr. Nayana P Patil, Associate Dean Student Wellbeing -RTC, RUAS
Dr. Rinki Sharma, Associate Dean CADAR – RTC, RUAS
Dr. Suresh R, HOD, MME, RUAS
Dr. C. Narendra Babu, HOD, CSE, RUAS
Dr. Mahesh K Varpe, HOD, AAE, RUAS
Dr. T. Christy Bobby, HOD, ECE, RUAS
Dr. Harshad Rameshwar Parate, HOD, Civil, RUAS
Dr. Sulake Nagaraja Rao, HOD, EEE, RUAS

Conveners

Dr. Jyothi A P
Associate Professor and Head, Mathematics and Computing Program,
Department of Computer Science and Engineering, RUAS
Mobile: +91 9686311475
Email: jyothi.cs.et@msruas.ac.in
Dr. Ananth S. Iyengar
Assistant Professor, Dept. of Mechanical and Manufacturing
Engineering, RUAS
Mobile: +91 9480343844
E-mail: ananth.me.et@msruas.ac.in

SYNERGY 2026: International Conference on Smart, Intelligent and Innovative Technologies (IC-SIIT)

Three days International Conference
In the fields of
**Computer Science, Aerospace, Automotive,
Mechanical, Electronics, Electrical and Civil
Engineering**

15th, 16th & 17th July 2026

Organised by
Faculty of Engineering and Technology,
Departments of Mechanical and Manufacturing, Computer Science,
Aerospace, Automotive, Civil, Electronics and Communication and
Electrical Engineering

M.S. Ramaiah University of Applied Sciences
University House, Gnanangothri Campus
MSR Nagar, New BEL Road
Bangalore-560 054, Karnataka, India
Website: www.msruas.ac.in

Conference Venue

M.S. Ramaiah University of Applied Sciences
Ramaiah Technology Campus, 470-P, Peenya 4th Phase,
Peenya, Bengaluru, Karnataka 560058

About RUAS

M.S. Ramaiah University of Applied Sciences (RUAS) was established as a Private University under an Act passed by the Government of Karnataka. RUAS is sponsored by Gokula Education Foundation, a Public Charitable Trust of the M.S. Ramaiah Family. Envisioned as a modern as well as innovation-intensive University, RUAS is engaged in interacting with industry, business, communities and government organisations. RUAS, a Comprehensive University and Unitary in nature, has pioneered the concept of outcome-based education in India. The University has implemented outcome-based curriculum with a Focus on imparting to students' knowledge and understanding, cognitive abilities and practical skills relevant to professional and societal needs. The University has adopted global best practices in teaching, learning and assessment to ensure all round development of students for a successful career.

The University's programme are inter and multi-disciplinary in nature and designed to train students to be creative, innovative and imaginative graduates. The University, at present, has established Ramaiah Medical College Faculties in Engineering and Technology, Natural Sciences, Art and Design, Management and Commerce, Hospitality Management and Catering Technology, Pharmacy, Dental Sciences and Life & Allied Health Sciences, School of Social Sciences, School of Law and MS Ramaiah Institute of Nursing Education and Research. Through these Programs, the University offers Undergraduate, Postgraduate and Doctoral programmes. The faculties offer an enriched curriculum drawn from the strong interactions between the Faculties and Industry as well as business. Strategic international collaborations with renowned global universities provide students with opportunities for exchange programs, dual degrees, and exposure to diverse cultural perspectives. The state-of-the-art infrastructure, including advanced laboratories and high-tech simulation centers, ensures that learners have access to the tools necessary for modern technical mastery.

About the Conference

Participants will have the opportunity to engage with cutting-edge research, emerging technologies, and real-world applications that address global challenges such as climate change, urbanization, energy efficiency, health care and resilient infrastructure. The emphasis will be given to both theoretical advancements and practical implementation projects. The conference seeks to inspire innovation that is not only technically sound but also socially relevant.

Through keynote sessions, workshop, technical presentations, panel discussions, and collaborative forums, the International Conference aspires to cultivate a vibrant intellectual ecosystem. It invites thought leaders and innovators to contribute to a shared vision of a smarter, interconnected future, where engineering integration drives sustainable development and technological excellence across industries and societies worldwide.

Themes for the Conference

1. **Artificial Intelligence, Data science and its Application**
2. **Design, Robotics and Product engineering**
3. **Design Automation, IoT & Computational Engineering**
4. **Sustainable Infrastructure: Monitoring, Assessment and Smart Construction Materials**
5. **Aerospace Automotive and Future Mobility Systems**
6. **Energy, Material and Advance Manufacturing**
7. **Biotechnology, Health care, Life sciences and Clinical Applications**
8. **Innovation, Entrepreneurship and Management**

Topic to be covered:

The themes cover the interdisciplinary nature of smart integrated systems that involve all key interconnected engineering domains. They align with current global priorities such as Artificial Intelligence, Data Science, sustainability, digital transformation, intelligent mobility, Health care, Management and resilient infrastructure. The specific topics may also include fundamental research (materials, aerospace, Artificial Intelligence) and its practical applications (industry 4.0, smart grids, transportation). Emerging technologies like Internet of Things, robotics, and data driven systems are emphasized because they act as bridges across disciplines, enabling innovation. The suggested themes bring together broad coverage, relevance, and opportunities for collaboration across engineering fields.

- ❖ Certificate will be provided to all participants
- ❖ National and International Experts/Resources Persons are from esteemed academic institutions like IISc, IIT, NIT and industries.
- ❖ Authors should make sure the plagiarism, and AI similarity should be less than 10%
- ❖ Selected papers will be published in Scopus Indexed Taylor & Francis – CRC Press.
- ❖ Rest of the papers will be published in Advanced International Journal for Research with DOI and Google Scholar Indexing.
- ❖ An extra cost to be borne by the author depending on the paper is selected for Scopus indexed journal or journal with DOI

Mode of the Conference

Hybrid

Important Dates:

Abstract Submission	29 th May 2026
Abstract Acceptance	5 th June 2026
Submission of Full-Length Paper	15 th June 2026
Full-Length Paper acceptance	22 th June 2026
Camera ready paper	1 st July 2026
Conference Dates	15 th - 17 th July 2026

Registration Details:

UG/PG/ Research Scholar	1500/- INR
Industry	3000/- INR
Faculty	2000/- INR

Instruction to Authors

Acceptance of abstract will be intimated to the authors by 5th June 2026.

The authors of the accepted abstract have to submit the full-length paper with plagiarism and AI similarity less than 10% by 15th June 2026 using Turnitin software.

The authors of accepted full-length paper will be intimated on 22th June 2026.

The authors of accepted full-length paper have to make the payment and submit the camera-ready paper by 1st July 2026.
